

At HUI, you will be part of a hardworking team and have the opportunity to learn and grow alongside a group of supportive and respectful individuals. Our flexible, team focused approach provides you with opportunities to learn new skills, become a leader, or advance in your career goals. We practice Lean manufacturing and embrace new perspectives that improve the way we do things. By sharing your skills, ideas, and opinions with each other, you help HUI continue to grow and provide the highest quality service to our customers.

Our weekend crew works 5am - 5pm every Friday, Saturday & Sunday, with the opportunity to volunteer for more hours during the week. Works great for individuals currently pursuing higher education. **\$17.00 per hour starting pay**

Our 2<sup>nd</sup> and 3<sup>rd</sup> shifts work a 4-day week, Monday – Thursday evenings and enjoy a 3-day weekend. **\$16.00 per hour starting pay**

### **Job Description**

Fabricators are cross-trained to setup, program, and run CNC operated lasers, turret punches, and press brakes, as well as weld. A variety of parts are run through the cells daily which requires fabricators to read prints, communicate with the team, problem solve, and use effective work flow skills.

### **Full-Time Benefits**

- Flexible work schedules
- Air-conditioned facility
- On-site fitness center
- Tuition Reimbursement
- Full Insurance Package
- Retirement Plan
- Great Vacation Package and paid Holidays
