

### **Machinist, 2<sup>nd</sup> shift**

Eagle Performance Plastics is looking for experienced CNC Machinists to join our 2<sup>nd</sup> shift team. Would you like to work for a great company and have a 3 ½ day weekend every weekend? Then Eagle is the place for you.

#### **Qualifications:**

Ability to read, understand, and edit G & M code. Experience in a job shop environment. Must be able to independently complete multiple setups each shift. Ability to read blueprints, work independently, work in a team environment, and be familiar with lean/continuous improvement concepts. This person will be responsible for performing quality inspections using a variety of measuring equipment. Ability to operate Vertical Machining Centers or Turning Centers is required. Machine Tool Program graduate or Journeyman is a plus.

#### **Benefits:**

Health and Dental Insurance, Disability and Life Insurance, Paid vacation, holidays, sick/personal time, Gain-sharing program, 401K match and many more.
