Are you looking for a new opportunity? Have you worked a 2nd shift job before? Are you mechanically inclined, have a great work ethic and a positive can-do attitude? If you do, we have the opportunity for you!

We currently have **2nd shift opportunities** available in our Production Horizontal department working 4 10-hour days and a 3-day weekend every week! Overtime is available! A to Z Machine is celebrating 23 years of growth in 2019. We are a job shop that was started by and continues to be led by journeymen machinists.

Do you get excited about advances in machining and tooling? So do we! Do you have an idea that would make things more efficient? We listen! And we speak your language.
