

BURGER BOAT COMPANY

www.burgerboat.com

Job Openings include:

1. Director of Engineering

The Director of Engineering will lead the Engineering team and coordinate all Engineering activities to assure department success. This involves, at a minimum, reviewing the needs of Burger's production departments so as to learn what will be the minimum scope of engineering work required that will provide the production departments with the quickest access to accurate deliverables while not over producing. Additionally, must evaluate all engineering work product created by Burger Engineers, as well as the engineering work product created by outside engineering firms whom Burger has contracted with. This, to be sure the engineering deliverables meet the needs of all customers, especially Burger's production teams. All decisions must be timely made in order to complete engineering deliverables within Burger's established Engineering labor hour budgets and its schedule parameters with emphasis on managing such deliverables so that they require minimal re-work.

2. Electrical Engineer

The Electrical Engineer is responsible for providing electrical expertise to ensure proper operation of the yachts. The Electrical Engineer reviews the projects, analyzes boat specific requirements and constructs electrical plans for each project. Once plans are in place, The Electrical Engineer ensures timely and proper administration of these plans.

3. Project Manager

The Project Manager is responsible to identify, organize, coordinate, execute, and review documents and activities to insure that projects will be completed and delivered within budget and on schedule. The Project Manager has the responsibility to coordinate with Burger Executive, Finance, Supply Chain, Production, Engineering, Production Support, Testing and Commissioning to achieve the on time delivery of projects. The Project Manager is responsible to review defined budgets and schedules, helping to insure the project shall meet the quality requirements and procedures of Burger Boat.
