

Machine Assistant – Flexo Printing Dept

TC Transcontinental, Making Impressions Count

TC Transcontinental is a leader in flexible packaging in North America, and Canada's largest printer. For over 40 years, TC Transcontinental's story has been one of innovation and transformation to meet our customers' evolving needs. Our strong family values, entrepreneurial spirit and long-term vision have always been at the heart of our success. With our 3 business sectors of Packaging, Print and Media, we continue to optimize, transform, and grow while making impressions that count!

About this opportunity

The Press Helper's job consists of assisting the Press Operator with setting up and maintaining production of printing equipment. Duties include ensuring the work orders are properly followed, all raw materials are available, and following all quality check requirements including any HACCP/SQF procedures.

This entry level position is part of a line of progression which requires employees to move into higher skill level positions based on seniority.

What you will do

- Support and contribute to a healthy and safe work environment by following all workplace regulations, policies, and initiatives, including reporting all first aid injuries, accidents, and workplace hazards
- Responsible for producing a quality product while maintaining production performance
- Assist with troubleshooting print defects and minor machine problems
- Report on Statistical Process Control Data on the main attributes of the order being produced
- Constantly monitor quality and waste for all orders being produced
- Continually learn the responsibilities of the various positions to create a smooth transition when advancing in the line of progression
- Ability to work rotating 8-hour shifts (6a-2p/2p-10p/10p-6a), 12 hour shifts, weekend coverage and additional hours as required

What you have to offer

- Desire to fulfill TC Transcontinental's Values in all interactions; Teamwork, Respect, Innovation, Performance.
- Printing technology education from a Technical College and/or printing press experience in flexible packaging industry is preferred but not required; we will train (on-the-job training and external training from industry experts to support the skill development for those new to the industry is available).
- Must be detail oriented and able to distinguish colors
- Must be comfortable with computers
- Ability to work with minimal supervision and handle a wide variety of responsibilities in a timely manner
- Ability to pass pre-employment testing requirements

What we have to offer

- Opportunity to be part of a dynamic and highly motivating work environment where you can develop your potential and launch an exciting career;
- Development opportunities where your input makes a difference. A competitive compensation package, 401K plan and flexible benefits that are customizable to you and your family's needs
- Employee perks such as discounts from suppliers on various products and services such as insurance, wireless bundles, travel, and much more.

Our current Covid procedures require masks be worn indoors.
