Renco Machine Company - Green Bay, WI

\$25 - \$35 an hour

[Apply Now](#)

Renco Machine Company is a machine shop located in Green Bay and has been dedicated to the production of custom components since its inception in 1963. We are currently searching for a Maintenance Technician to join our dedicated team.

Essential Duties and Responsibilities:

- Install, repair, replace and troubleshoot production equipment
- Perform preventative maintenance
- Maintain and/or schedule service for production support equipment such as overhead lifts, cranes, forklifts and scissors lifts
- Participate in the handling and disposal of coolant
- Perform other miscellaneous job duties and related functions

Education and/or Experience:

- High school diploma or equivalent is required
- Requires ability to work with, and general knowledge of, mechanical and electrical functions
- 2 years maintenance experience or Industrial Maintenance Certificate is strongly preferred
- While hoists are provided to assist with lifting, you must be able to occasionally lift and carry up to 50 lbs.
