PPT of the presentation is attached to this document and emailed to taskforce members.

NEWMA Safety
Impact on Insurance C

Topic 3: Open Forum

The taskforce discussed what topics they would like to hear from an OSHA rep. They included:

- General overview
- National vs. regional
- Local trends and interest
- Group citations vs separate citations
- Safety helmets

At the March or April meeting will be dedicated to hearing from an OSHA rep.

There is interest in hearing a message from a company that has VPP certification.

Topic 4: Next meeting will be held on March 19 at 8:30 at NWTC.
