

Graetz Mfg., Inc. - Metal Saw Operator

Pay: From \$19.00 per hour

Job Overview: We are seeking a skilled Saw Operator to join our manufacturing team. The ideal candidate will be responsible for operating various saws and cutting equipment to produce high-quality components according to specifications. This role requires a strong understanding of machining processes, attention to detail, and the ability to work efficiently in a fast-paced environment all within a 4 day work week (10 hour days).

Responsibilities:

- Operate and maintain saws and cutting machines, ensuring optimal performance and safety.
- Read and interpret blueprints and technical drawings to determine cutting specifications.
- Perform quality inspections on finished products using precision measuring instruments such as calipers and micrometers.
- Collaborate with team members to ensure production goals are met while maintaining high standards of quality.
- Conduct routine maintenance on equipment and troubleshoot any issues that arise during operation.
- Utilize hand tools and fabrication techniques to assist in the assembly of components as needed.
- Adhere to all safety protocols and guidelines while working in the manufacturing environment.
- Monitor sawing machines, adjusting speed and tension to ensure proper operation.

Skills:

- Proficiency in operating CNC machines, including CNC milling machines and CNC lathes.
- Familiarity with GD&T (Geometric Dimensioning and Tolerancing) principles.
- Experience with electrical discharge machining (EDM) processes.
- Knowledge of mechanical systems and manufacturing processes.
- Strong basic math skills for accurate measurements and calculations.
- Ability to read blueprints and technical drawings effectively.
- Experience with welding, tooling, sheet metal work, and fabrication techniques.
- Competence in using various hand tools, cranes, and stamping presses.
- Attention to detail for quality inspection tasks. Join our team as a Saw Operator where your skills will contribute to the production of high-quality components in a collaborative environment. We look forward to your application!

Job Type: Full-time

Benefits:

- 401(k)
- 401(k) matching
- Dental insurance
- Health insurance
- Health savings account
- Life insurance
